- (a) Cost for material
- (b) Cost for labor
- (c) Profit

Concrete Planters

- (a) Cost for material
- (b) Cost for labor
- (c) Profit

Offers should not include VAT (KDV)

3. Payment

Offers can be given either in USD or TL. Payment will be made based on the currency mentioned on the submitted (TL/USD) offer via Electronic Fund Transfer (EFT) within one month of invoice submission.

As a Diplomatic Mission, the Consulate is exempt from VAT, therefore all invoices submitted for payment should be without VAT (KDV). The U.S. Government will provide a copy of the KDV exemption card.

The contractor must fill in the information requested below for EFT:

Bank Name: _____
Branch Name: _____
Bank Account number: _____
Iban#: _____
Swift Code#: _____

After invoice is approved by the COR, EFT payments may take a maximum of 30 days until the money is transferred to the Contractor's bank account. In USD payments, there may be approximately 40 USD fee on each payment, which can be charged either by the sending bank or the receiving bank.

Payment process can start for material once the COR approves that all materials purchased and delivered to the site.

Payment process for installation will be started once half of the job is completed and the COR approves the work.

Payment for the remaining portion will be made after final acceptance of the work.

C. STATEMENT OF WORK

TECHNICAL REQUIREMENTS

1. **SAFETY FIRST!** At all times observe good safety practices during entire work period. Work very closely with the designated COR for safety issues and for all the processes within this contract. Contractor shall bring the concerns to COR when necessary and shall follow the instructions given by COR.
2. **Concrete walls:** After removing the existing stainless steel railings, construct 30cm x 277cm x 105cm (WxLxH) concrete walls with 12mm diameter ribbed bars to meet TS 708 quality to the 5 openings at the visa applicant line in between the columns shown at the attached plan (Attachment A) in red. Each concrete wall part (total of 5 parts) should be constructed in 30 cm thickness and 105cm height with 12mm diameter ribbed bars in between the columns. The bars should also be anchored to the floor and to the columns from several locations

to strengthen the wall. The concrete quality should be C25. After the concrete walls are constructed, 3 cm thick beige travertine will be mounted to both sides of the walls to match the existing wall. There will also be 5 cm thick red travertine mounted to the top of the walls as capping matching the existing ones. The total length of the area is approximately 14m including the existing columns.

3. **Concrete planters:** To replace 8 each 50cm wide and 105cm height with approximately 2,4 meter length of concrete planters with 10cm thick of C25 concrete at the sides of the planter with 10mm diameter of ribbed bar in it. The total width of the planter should be 50 cm including the dirt and plant space. There should be 50cm of gap between each conjoint planter and between each tree grates to allow people to pass. The finish of the planters should preferably match the floor finishing which is natural concrete / cement color. The soil and plants for the planters will be provided by Consulate after this contract ends. Contractor will not include the cost of the dirt and plants to this contract.
4. **Handicapped ramp:** Addition to the existing one, customer asks from the awarded contractor to make a handicapped ramp in front of the beginning of the visa line by the parking lot exit to match the existing one by the employee entrance.

C.2 - Contractor Responsibilities

Contractor shall inform and coordinate with the customer (designated Consulate employee as Contracting Officer Representative - COR) about its work schedule and strictly comply with approved schedule(s) since it is crucial to limit access in and out of the compound.

Contractor shall also take into consideration that there might be delays, breaks, emergency alterations and or cancellations to approved work schedule due to un-foreseen

reasons, and it is the contractor's responsibility to adjust and accept those requirements by the customer.

The Contractor shall comply with Security procedures during entire work period. All other security related issues are explained under section H of this contract. The Contractor is obligated to complete all requirements in timely manner, otherwise work cannot start.

C.3 - Materials Shipping Address:

Materials delivered to the site shall be marked as follows: "Concrete Walls and concrete planters" for the Consulate General located at Kaplicalar Mevkii, Uc Sehitler sok. No:2 Sariyer - Istinye, Istanbul and before delivery the Contractor must coordinate with the COR to arrange entrance to the site.

C.4 Permits and License: N/A

D. INSPECTION AND ACCEPTANCE

The COR is authorized to review the work to ensure that the work thus completed has met the requirements. The COR will inspect from time to time the work being performed and the material furnished to determine whether work is being performed in a satisfactory manner, and work is done in acceptable quality and standards.

The Contractor shall be responsible for any countermeasures or corrective action, within the scope of this contract, which may be required by the Contracting Officer as a result of such inspection.

1. Substantial Completion: Definitions

(a) "Substantial Completion" means the stage in the progress of the work as determined and certified by the Contracting Officer in writing to the Contractor, on which the work (or a portion designated by the Government) is sufficiently complete and satisfactory. Substantial completion means that the property may be occupied or used for the purpose for which it is intended, and only minor items such as touch-up, adjustments, and minor replacements or installations remain to be completed or corrected which:

- 1) do not interfere with the intended occupancy or utilization of the work,
- 2) can be completed or corrected within the time period required for final completion.

(b) The "date of substantial completion" means the date determined by the Contracting Officer or authorized Government representative as of which substantial completion of the work has been achieved.

2. Use and Possession upon Substantial Completion

The Government shall have the right to take possession of and use the work upon substantial completion. Upon notice by the Contractor that the work is substantially complete (a Request for Substantial Completion) and an inspection by the Contracting Officer or an authorized Government representative (including any required tests), the Contracting Officer shall furnish the Contractor a Certificate of Substantial Completion. The certificate will be accompanied by a Schedule of Defects listing items of work remaining to be performed, completed or corrected before final completion and acceptance. Failure of the Contracting Officer to list any item of work shall not relieve the Contractor of responsibility for complying with the terms of the contract. The Government's possession or use upon substantial completion shall not be deemed an acceptance of any work under the contract.

3. Final Completion and Acceptance: Definitions

(a) "Final completion and acceptance" means the stage in the progress of the work as determined by the Contracting Officer and confirmed in writing to the Contractor, at which all work required under the contract has been completed in a satisfactory manner, subject to the discovery of defects after final completion, and except for items specifically excluded in the notice of final acceptance.

(b) The "date of final completion and acceptance" means the date determined by the Contracting Officer when final completion of the work has been achieved, as indicated by written notice to the Contractor.

4. Final Inspection and Tests

The Contractor shall give the Contracting Officer at least five (5) days advance written notice of the date when the work will be fully completed and ready for final inspection and tests. Final inspection and tests will be started no later than the date specified in the notice unless the Contracting Officer determines that the work is not ready for final inspection and so informs the contractor.

5. Final Acceptance

If the Contracting Officer is satisfied that the work under the contract is complete (with the exception of continuing

obligations), the Contracting Officer shall issue to the Contractor a notice of final acceptance and make final payment upon:

- Satisfactory completion of all required tests,
- a final inspection that all items by the Contracting Officer listed in the Schedule of Defects have been completed or corrected and that the work is finally complete (subject to the discovery of defects after final completion), and
- submittal by the Contractor of all documents and other items required upon completion of the work, including a final request for payment (Request for Final Acceptance).

E. DELIVERIES OR PERFORMANCE

1. Commencement, Prosecution, And Completion Of Work

The Contractor shall be required to:

- (a) commence work under this contract as agreed with the COR.
- (b) prosecute the work diligently, and,
- (c) complete the work under this contract by a date which will be determined with discussion with the COR and will be clearly mentioned on the final award document.

The time stated for completion shall include final cleanup of the premises and completion of punch list items.

2. Contractor's Submission Of Construction Schedules

(a) The time for submission of the schedules referenced in "Schedules for Construction Contracts", paragraph (a), should not be later than five working days after final award date, schedules shall include the time by which drawings, product data, and other submittals required by the contract will be submitted for approval.

(c) The Contractor shall revise such schedules (1) to account for the actual progress of the work, (2) to reflect approved adjustments in the performance schedule, and (3) as required by the Contracting Officer to achieve coordination with work by the Government and any separate contractors used by the Government. The Contractor shall submit a schedule, which sequences work so as to minimize disruption at the job site.

(d) All deliverables dimensions (English or metric) shown shall be consistent with that used in the contract. No extension of time shall be allowed due to delay by the United States Government in approving such deliverables if the Contractor has failed to act promptly and responsively in submitting its deliverables. The contractor shall identify each deliverable as required by the contract.

(e) Acceptance of Schedule: When the Government has accepted any time schedule; it shall be binding upon the Contractor. The completion date is fixed and may be extended only by a written contract modification signed by the Contracting Officer. Acceptance or approval of any schedule or revision thereof by the United States Government shall not:

- 1) Extend the completion date or obligate the United States Government to do so,
- 2) Constitute acceptance or approval of any delay, or
- 3) Excuse the Contractor from or relieve the Contractor of its obligation to maintain the progress of the work and achieve final completion by the established completion date.

3. Notice Of Delay

If the Contractor receives a notice of any change in the work, or if any other conditions arise which are likely to cause or are actually causing delays which the Contractor believes may result in late completion of the project, the Contractor shall notify the Contracting Officer. The Contractor's notice shall state the effect, if any, of such change or other conditions upon the approved schedule, and shall state in what respects, if any, the relevant schedule or the completion date should be revised. The Contractor shall give such notice promptly, not more than five (5) days after the first event giving rise to the delay or prospective delay. Only the Contracting Officer may make revisions to the approved time schedule.

4. Working Hours

All work shall be performed during working days between 8:00am to 9:30pm. Other hours, if requested by the Contractor, may be approved by the Contracting Officer's Representative (COR). The Contractor shall give 24 hours in advance to COR who will consider any deviation from the hours identified above. Changes in work hours, initiated by the Contractor, will not be a cause for a price increase.

F. CONTRACT ADMINISTRATION

1. Contracting Officer's Representative (COR)

(a) The Contracting Officer may designate in writing one or more Government employees, by name or position title, to take action for the Contracting Officer under this contract. Each designee shall be identified as a Contracting Officer's Representative (COR). Such designation(s) shall specify the scope and limitations of the authority so delegated; provided, that the designee shall not change the terms or conditions of the contract, unless the COR is a warranted Contracting Officer and this authority is delegated in the designation.

(b) The COR for this contract is the Facility Maintenance Supervisor. The Maintenance Foreman is the site controller who will directly be responsible and report to the COR.

G. SPECIAL CONTRACT REQUIREMENTS

1. Construction Security

(a) Istanbul Consulate Compound Access: Personnel

1) The contractor shall provide names and National Identity Numbers (KIMLIK) of all personnel involved with this contract, including all subcontractors for the duration of the project a minimum of 10 days prior to actual date the personnel will commence work on his/her portion of the project. Contractor is strongly recommended to also provide additional names and identity numbers of personnel for unforeseen contingencies. All contractor-provided information of his/her personnel, including subcontractors, shall include a copy (both front and back) of the KIMLIK card itself.

2) The United States Government shall inform the contractor whether any person or persons has been given access to the property. If such person or persons have not been given access to the work site, the contractor shall immediately substitute said person or persons with another or others who has the same technical and/or administrative capabilities as the person or persons rejected by the United States Government. Substitution of said persons or persons shall not increase the cost to the United States Government.

3) Each person authorized to work on this project shall be given a United States Government-provided identity card which must be visibly worn at all times on the job

site. This identity card shall be obtained at the beginning of each work day and returned at the end of each work day. Lost or stolen identity cards shall delay acceptance of allowance of any person or persons to the job site. THIS IDENTITY CARD SHALL ALLOW THE CONTRACTOR, CONTRACTOR'S PERSONNEL AND SUBCONTRACTORS TO THE IMMEDIATE JOB SITE ONLY, NOT WITHIN THE CONSULATE COMPOUND SECURITY WALLS OR WITHIN ANY CONSULATE BUILDING WITH THE FOLLOWING EXCEPTION:

4) The contractor is responsible for the orderly and professional conduct of him/herself, his/her personnel and all subcontractors on the project site. The United States Government shall retain the right to remove any person or persons whose conduct is deemed obnoxious; person(s) are suspected of carrying weapons; person(s) are suspected of abusing alcohol or illegal drugs; person(s) are suspected of non-compliance of the project specifications. The contractor shall immediately substitute the removed person(s) at no additional cost of the United States Government.

5) Contractor shall also take into consideration that there might be delays, breaks, emergency alterations and or cancellations to approved work schedule due to un-foreseen reasons, and it is the contractor's responsibility to adjust and accept those requirements by the customer.

(b) Compound Access: Materials

1) The contractor is responsible for informing the United States Government of expected delivery of all materials to be used for this project a minimum of 2 days prior to the delivery date.

2) The United States Government shall inspect these materials upon delivery for acceptance or rejection. The contractor shall remove any unacceptable material from the project site immediately. Any unacceptable material shall be replaced by the contractor at no additional cost to the United States Government.

3) The United States Government shall designate a place within the Compound Parking Lot for all acceptable material storage.

4) Any/all acceptable materials shall remain within the designated space provided until actual use.

5) The United States Government shall not be responsible for any lost, damaged, stolen or misplaced materials stored within the specified storage area.

6) The contractor shall be responsible for continual cleanliness of the designated storage area as well as the actual project site.

7) The contractor shall be responsible for any damages to any vehicle; parking surface; existing structures and trees/shrubs/grasses; including the actual project site itself caused by the contractor's storage, or movement of materials

2. Insurance

The Contractor is required by FAR 52.228-5, "Insurance - Work on a Government Installation" to provide any and all insurance which is legally necessary.

The Contractor shall obtain insurance required by local law or that are ordinarily or customarily obtained in the location of the work. The limit of such insurance shall be as provided by law or sufficient to meet normal and customary claims.

The Contractor agrees that the United States Government shall not be responsible for personal injuries or for damages to any property of the Contractor, its officers, agents, servants, and employees, or any other person, arising from an incident to the Contractor's performance of this contract. The Contractor shall hold harmless and indemnify the United States Government from any and all claims arising there from, except in the instance of gross negligence on the part of the United States Government.

The Contractor shall obtain adequate insurance for damage to, or theft of, materials and equipment in insurance coverage for loose transit to the site or in storage on or off the site.

3. Laws and Regulations

In addition to what is explained on page 5 of the Statement of work "permits and Licenses", the Contractor shall, without additional expense to the United States Government, be responsible for complying with all laws, codes, ordinances, and regulations applicable to the performance of the work, including those of the host country, and with the lawful orders of any governmental authority having jurisdiction.

Host country authorities may not enter the construction site without the permission of the Contracting Officer. Unless otherwise directed by the Contracting Officer, the Contractor shall comply with the more stringent of the requirements of such laws, regulations and orders and of the contract. In the event of a conflict between the contract and such laws, regulations and orders, the Contractor shall promptly advise the Contracting Officer of the conflict and

of the Contractor's proposed course of action for resolution by the Contracting Officer.

The Contractor shall comply with all local labor laws, regulations, customs and practices pertaining to labor, safety, and similar matters, to the extent that such compliance is not inconsistent with the requirements of this contract.

The Contractor shall give written assurance to the Contracting Officer that all subcontractors and others performing work on or for the project have obtained all requisite licenses and permits.

The Contractor shall submit proper documentation and evidence satisfactory to the Contracting Officer of compliance with this clause.

4. Special Warranties - Warranty of Construction

a) The contractor shall obtain manufacturer's warranty period (preferably at least 2 years) under this contract. The Consulate will also be asking for at least 5 years of warranty against rusting of the materials that are permanently installed for this project.

b) The Contractor shall remedy at the Contractor's expense any failure to conform or any defect. In addition, the Contractor shall remedy at the Contractor's expense any damage to Government-owned or controlled real or personal property, when that damage is the result of-

1) The Contractor's failure to conform to contract requirements; or

2) Any defect of equipment, material, workmanship, or design furnished.

(e) The Contracting Officer shall notify the Contractor, in writing, within a reasonable time after the discovery of any failure, defect, or damage.

(f) If the Contractor fails to remedy any failure, defect, or damage within a reasonable time after receipt of notice, the Government shall have the right to replace, repair, or otherwise remedy the failure, defect, or damage at the Contractor's expense.

(g) With respect to all warranties, express or implied, from subcontractors, manufacturers, or suppliers for work performed and materials furnished under this contract, the Contractor shall-

1) Obtain all warranties that would be given in normal commercial practice;

2) Require all warranties to be executed, in writing, for the benefit of the Government, if directed by the Contracting Officer; and

3) Enforce all warranties for the benefit of the Government, if directed by the Contracting Officer.

(h) In the event the Contractor's warranty under paragraph (b) of this clause has expired, the Government may bring suit at its expense to enforce a subcontractor's, manufacturer's, or supplier's warranty.

(i) Unless a defect is caused by the negligence of the Contractor or subcontractor or supplier at any tier, the Contractor shall not be liable for the repair of any defects of material or design furnished by the Government nor for the repair of any damage that results from any defect in Government-furnished material or design.

(j) This warranty shall not limit the Government's rights under the Inspection and Acceptance clause of this contract with respect to latent defects, gross mistakes, or fraud.

The Contractor shall obtain and furnish to the Government all information required to make any subcontractor's, manufacturer's, or supplier's guarantee or warranty legally binding and effective. The contractor shall submit both the information and the guarantee or warranty to the Government in sufficient time to permit the Government to meet any time limit specified in the guarantee or warranty, but not later than completion and acceptance of all work under this contract.

5. Equitable Adjustments

Any circumstance for which the contract provides an equitable adjustment that causes a change within the meaning of paragraph (a) of the "Changes" clause shall be treated as a change under that clause; provided, that the Contractor gives the Contracting Officer prompt written notice (within 20 days) stating:

(a) the date, circumstances, and applicable contract clause authorizing an equitable adjustment, and

(b) that the Contractor regards the event as a changed condition for which an equitable adjustment is allowed under the contract.

The Contractor shall provide written notice of a differing site condition within 10 calendar days of occurrence following FAR 52.236-2, Differing Site Conditions.

DEPARTMENT OF STATE ACQUISITION REGULATION (DOSAR) CLAUSES

652.242-73 AUTHORIZATION AND PERFORMANCE (AUG 1999)

(a) The contractor warrants the following:

- (1) That it has obtained authorization to operate and do business in the country or countries in which this contract will be performed;
- (2) That it has obtained all necessary licenses and permits required to perform this contract; and,

(3) That it shall comply fully with all laws, decrees, labor standards, and regulations of said country or countries during the performance of this contract.

(b) If the party actually performing the work will be a subcontractor or joint venture partner, then such subcontractor or joint venture partner agrees to the requirements of paragraph (a) of this clause.

652.228-70 INDEMNIFICATION (JULY 1988)

The Contractor expressly agrees to indemnify and to save the Government, its officers, agents, servants, and employees harmless from and against any claim, loss, damages, injury, and liability, however caused, resulting from or arising out of the Contractor's fault or negligence in connection with the performance of work under this contract. Further, any negligence or alleged negligence of the Government, its officers, agents, servants, or employees, shall not bar a claim for indemnification unless the act or omission of the Government, its officers, agents, servants, or employees is the sole competent, and producing cause of such claim, loss, damages, injury, or liability.

652.243-70 NOTICES (AUG 1999)

Any notice or request relating to this contract given by either party to the other shall be in writing. Said notice or request shall be mailed or delivered by hand to the other party at the address provided in the schedule of the contract. FEDERAL ACQUISITION REGULATION (48 CFR CH. 1)

52.215-1 INSTRUCTIONS TO OFFERORS--COMPETITIVE ACQUISITION (JAN 2004), which is incorporated by reference into this solicitation.

J. EVALUATION CRITERIA

Award will be made to the lowest priced, technically acceptable, responsible quoter depending on the price and technical capacity of the bidder. The United States Government reserves the right to reject quotations that are unreasonably low or high in price.

The United States Government will determine acceptability by assessing the offeror's compliance with the terms of the RFQ. The United States Government will determine responsibility by analyzing whether the apparent successful quoter complies with the requirements of FAR 9.1, including:

- ability to comply with the required performance period, taking into consideration all existing commercial and governmental business commitments;
- satisfactory record of integrity and business ethics;
- necessary organization, experience, and skills or the ability to obtain them;
- necessary equipment and facilities or the ability to obtain them; and
- otherwise qualified and eligible to receive an award under applicable laws and regulations.
